

OUTFOXED

Real Hawke's Bay hospitality.

Outfoxed is an inspired destination on a stunning seaside property in Hawke's Bay. It's set on a 400-acre farm overlooking the South Pacific with breathtaking views in the heart of the charming Te Awanga coastal village.

We welcome groups of any size that are celebrating a special occasion, getting away with teammates or clients, relaxing with family and friends or preparing for the big day. We pride ourselves on creating a bespoke day to suit you and your guests, one that you'll remember forever.

An activity for everyone.

We've created venues across our property to suit the style of day you're after. At The Den you can try your hand at clay bird shooting and relax with mates. The Landing is a stunning natural amphitheatre that's perfect for hosting a party or trying your hand at knife throwing and archery. At the highest point on our farm you'll find The Lookout where you can enjoy Top Golf or take in the views.

With activities including clay target shooting, archery and knife throwing, plus a driving range and cricket, there's plenty to do in a day at Outfoxed. Let your competitive spirit run high having a go at the whole lot or let us design a day with activities to suit your crew.
